		Monday 16 September 2024 (Evening)
	tbc	Bursary drinks reception at the Crowne Plaza Hotel, Glasgow
	20.30 till 23.00	Quiz and Networking at the Crowne Plaza Hotel, Glasgow
		Tuesday 17 September 2024
	08.00-09.15	Conference Registration
	09.15-09:30	Official Conference Opening and Welcome
	03.13-03.30	SIG 1: Red Cell SIG Part 1
	09.30-11.00	Session Chairs: Leslev Bruce and Vania Crew
		SIGO: Partition SIGO
		Session Chair: Anne Kelly, Consultant Paediatric Haematologist, Great Ormond Street Hospital and NHSBT
		Topic: Neo Natal Transfusions
		Dr Philip Arnold, Consultant Anaesthetist, Alder Hey, Liverpool - Point of care testing of coagulation and Patient Blood Management in children
		Dr Samiran Ray, Consultant in Paediatric Intensive Care, Great Ormond Street Hospital, London - Paediatric Transfusion Practices in ICU - a results from a prospective observational study
		Professor Luciana Teofili, Fondazione Policlinico A. Gemelli IRCCS, Università Cattolica del Sacro Cuore - The 4 W s of cord blood transfusion in preterm neonates: Why, Who, What, and When SIGS: Cellular Therapies SIG
		Sios): Cellular Theraphies Sio
	11.00-11.30	Section Visit Nating Designal
		SIG4: Red Cell SIG: Part 2
ထ	11.30-13.00	Session Chairs: Leslev Bruce and Vania Crew
当		SIG5: Patient Blood Management
Special Interest Groups		Session Chairs: Danny Gaskin. National Patient Blood Management Practitioner NHSBT and Fateha Chowdhury. Consultant Haematologist in Transfusion Medicine. NHSBT Topic Consent, Choice and EdonActive Choice and Canded Ch
5		Topic: Consent, Unice and Candour and Amount of the Candour and Ca
es		Mark Tarrant - Jehovah's Witnesses and Blood Transfusion
er		Anven Davies - QS138: How well are we doing or consent?
≟		For internal batters - 40 cut into well alle we doing un consenior: SIG 6: MicroBiology SIG
<u>~</u>		Session Chairs: Su Brailsford. Consultant in Epidemiology and Health Protection and Interim Clinical Director Microbiology and Public Health. NHSBT and Shannon Gates. Scientist - Microbiology
<u>.5</u>		Session Chains, 30 transitud, Conspirant in Epidemiology and readin Protection and mentin Clinical Director windoology and Public Readin, NPSB1 and Shahiron Gates, Scientist - windoology Tools: TBC
<u>ă</u>		Peter Simmonds. BTRU-GEMS: Lessons learnt from the Past-blood born virus contaminination of clotting factor concentrates
0)		Claire Reynolds, Senior Scientist, NHS Blood and Transplant/UKHSA Epidemiology Unit Syphilis and blood donors - does it matter?
		Ines Ushiro-Lumb, Consultant in Microbiology, NHS Blood and Transplant -Update on HHV-8 (title tbc)
	13.00-14.00	Lunch
	14.00-15.30	SIG 7: Red Cell SIG Part 3
		Session Chairs: Lester Bruce and Varva Crew SIG 8: Blood Bank Technology
		Side 8: Blood bank : ecrimology Session Chair: Ben Holmes
		Tools: Transition at the Cuting Edge
		Jennifer Davies, Transfusion Manager, Royal Devon University Healthcare, NHS Foundation Trust - Using Artificial Intelligence for Kleihauer Slide Interpretation
		Laura Eastwood: Consultant Clinical Scientist Trainee, NHS Blood and Transplant - VR Training
		Speaker tbc - SRP Treatment for Daratumumab Patients
		SIG 9: Components SIG Season Chair Mike Wittshire
		Gession Union, Wilson Pulsonie Topic: Frozen and Dried blood components
		Togother Notes and the State Mode Components Dr Matt Ellington, Clinical Research Fellow in Haematology, -Component Development Laboratory, NHS Blood and Transplant - Military use of alternative blood components
		Katarzyna Oleniacz , Component Development Scientist, Component Development Laboratory, NHS Blood and Transplant - Spray dried Plasma
		Shane Grimsley, DipRCPath, FBBTS, Senior Clinical Scientist (HSST), IBGRL, NHS Blood and Transplant - The importance, use and specification of frozen red cells
	15.30-16.00	Break
	16:00-17.30	Plenary One - Blood Supply: Infected Blood Inquiry
		Plenary Chair: Julie Staves, Transfusion Laboratory Manager, Oxford University Hospitals NHS Foundation Trust
		Su Brailsford, Consultant in Epidemiology and Health Protection, NHSBT - Blood Service aspects of the IBI
		Mike Murphy, Transfusion Consultant, NHS Blood and Transplant, Oxford University Hospitals - Blood Service aspects of the IBI (title TBC)
		Marc Turner, Director, Scotlish National Blood Transfusion Service - The Scotlish Experience
	· · · · · · · · · · · · · · · · · · ·	Official Exhibition Opening and Buffet Supper (included in your registration fee)

		Wednesday 18 September 2024
	08.00-08.45	Conference Registration
	09:00-10.30	SS1: Margaret Kenwright Awards
		Session Chairs: Denise McKeown
		SS2: Serious Hazards of Transfusion
		Session Chairs: Shruth Varayan and Carry Hughes Topic: Improving Translusion Saley
		Learning from Laboratory errors
<u>v</u>		Safer transfusions for patients with shared care Implementation of actions following the TACO Mert
าง เมร		Engaging with patients
ane		SS3: Serological Case Studies Session Chair: Lauza Eastwood
es:		Goods Visia. Labarrook Plan B for Complex Serology Cases.
E S		Speaker tbc.
٠,		Nicola Kirkham, Senior BMS, Royal Derby Hospital and Dianne Armstrona, Reference Laboratory Manager, RCI Barnsley, Case Study, title tbc
		Nicola Thornton Head of Red Cell Reference, BGRL - CaSE Study - title tho SS4: IT
		Session Chairs: Julie Stews (Transfusion Laboratory Manager, Oxford University Hospitals NHS Foundation Trust and Rachel Moss Topic: Gelenia Net out of your Laboratory Manager. Oxford University Hospitals NHS Foundation Trust and Rachel Moss Topic: Gelenia Net out of your Laboratory Manager. 		Julie Staves, Transfusion Laboratory Manager, Oxford University Hospitals NHS Foundation Trust - Order Comms. (title TBC)
		James Davies, Senior Transfusion Practioner, Kings College Hospital NHS Foundation Trust - Electronic Systems (title TBC)
		Jennifer Davies, Transfusion Laboratory Manager, Royal Devon University Healthcare NHS Foundation Trust - LMS Systems (title TBC) Break Trust - LMS Systems (title TBC)
	11.00-12.30	Plenary Two and BBTS Award Lectures
		Race and Sanger Award Lecture - Jeanette Stephens Kenneth Goldenth Award Lecture - Jeune Stephens Kenneth Goldenth Award Lecture - Jeune Green - Bleedine, Blood and Data: Learn from Every Transfusion
		James Blundell Award Lecture - Professor Dennis Lo - Creating Paradigm Shifts in Diagnostics Using Plasma DNA
	12.30-13.00	BBTS AGM - BBTS members only
	13.00-14.00	Lunch
	14.00-15.30	SSS: Clinical Case Studies Session Chains' Katie Hands
		Topic: Interesting cases
		Helen NewRebecca Braund (title TBC) Asha Aonarvel (title TBC)
		Katherine Philoott (title TBC)
10		Sara Wright (title TBC)
sino s		SS6: Equality, Diversity and Inclusion Session Session Chains' Dictabor Osaro (BBTS ED/ Committee Chair) and lan Sullivan, Royal Comwall Hospitals NHS Trust
o G		
multar Sessic		Topic: Transfusing the Transgender patient Alex Livering's - Senior Lecture Biomodical Science/School of Health, Leeds Beckett University
Se i		Samantha Bonney - Lead Transfusion Practitioner
Ø		Alice Walsingham -Clinical Scientist, NHSBT, Barnsley
		SS7:Transfusion 2024 Session Chair Louige Shertiker
		SS8: BSH/BBTS Collaboration Session
		Session Chaim: Simon Starworth, NHSBT and Sue Pavord, Haematology Consultant, Oxford University Hospitals NHS Foundation Trust Topic: Where Haematology meets Transfusion
		Dr. Sup Payord, Hasmatalany Consultant, Oxford University Hasnitals NIUS Foundation Trust - VITT (file TBC)
		Soft Brewn, Haematolog, Crosulters, Kings Callege Hospital NHS Foundation Trust. Scike cell disease (file TBC) Of Wilke Deborous, Haematolog, Crosulters, Kings Callege Hospital NHS Foundation Trust. Scike cell disease (file TBC) Of Wilke Deborous, Haematolog, Crosulters, Cortor University Hospitals NHS Foundation Trust. NAIT (file TBC)
	15.30-16.00	Streak
	16.00-16:45 16.45-17.15	Networking and Poster Viewing
		Poster Prize Giving Conference Dimer, Crowne Plaza Hotel, Glasgow
		Thursday 19 September 2024
	08.45-09.30	Conference Registration
